

12th October 2009

Dear Jackie,

On behalf of Greenwoods Hotel I would like to say a big thank you for your wonderful performance on Friday 9th October.

All the guests and staff commented on what a truly wonderful singer you are and you and John really made the evening special.

Your professional, yet friendly manner made you a joy to work with and we look forward to working with you again in the near future.

We wish you every success with your career.

With Kind Regards,

Kathleen Tucker
