21st September 2009

Dear Jackie,

My apologies for not writing to you sooner but I wanted to take a bit of quality time to let you know just how fantastic it was to have you here at Hylands House for the September Soiree performance.

I knew we had found someone very special when you first came to Hylands House for the initial meeting; Your practise performance gave me Goosebumps- even though I was stood the other end of the House!

As a venue, we could not have asked for more from you during the big event. It was an absolute pleasure to work with such professional, passionate people. The atmosphere certainly infected the crowd, as all the staff agreed, we have never had such a happy audience to serve. We received feedback and comments all night about what a lovely evening they were having and how much they enjoyed both the excellent singing and the beautiful piano playing.

I wish you all the best of luck with your future performances and I certainly look forward to having you back at Hylands in 2010

Kind Regards
